To develop our tehcnology and to implement our strategy for a better sustainable future we have chosen collaborators that help us enchance our products and market availability.

We are operating with a local and global focus and our future aim is to develop a strong structure to deliver our products and services worlwide within the near future.

Some of our most important partners in this process is

Estonian Biomass Association - our local partner http://www.eby.ee/

Biofuel Cities European Partnership - our european network associate <a href="http://www.biofuel-cities.eu/">http://www.biofuel-cities.eu/</a>

Dr.Alan Bittner - our micro-liposculpture specialist and raw maerial supplier <a href="http://www.dralanbittner.com/testimonials.html">http://www.dralanbittner.com/testimonials.html</a>
